

NHERI GSC General Meeting Minutes

Friday, December 17, 2021, at 11:00 am Central Time

Good afternoon. Thank you so much for attending December's NGSC meeting. I hope that you enjoyed meeting the SimCenter's Associate Director of Education Outreach, [Ádám Zsarnóczy](mailto:adamzs@stanford.edu) (adamzs@stanford.edu). His PowerPoint on the SimCenter capabilities and how the SimCenter can help you is included on the Meeting page. He has volunteered to participate in next month's Simulation/Computational Modeling research group if you missed out on today's presentation or would like to learn more about the SimCenter's capabilities.

You should have received an emailed Qualtrics link that will offer you the chance to vote on ratifying or rejecting the [NGSC Constitution](#) as well as selecting your Working Group membership. If you have not yet attended two monthly NGSC meetings, please do not vote on the constitution. ***BUT EVERYONE*** should select the Working Groups to which they would like to belong. We encourage you to select one or two and no more than three to allow you time to contribute to each group.

A list of nominations for officers and Working Group leadership is attached to this email. If you would like to nominate yourself or someone else, please do so by January 1, 2022, here: https://bit.ly/NGSC_Nominations22. If you would like to remove yourself from the nomination list, please email me directly (robin.nelson@utsa.edu).

Working Groups:

- Workshop & Mentoring
- Diversity, Equity, and Inclusion
- Research
- Networking & Community Building
- Membership
- Technology & Communication

If you are a nominee, please send me a headshot and a ***3-5 sentence*** bio by **January 5, 2022**, that will be posted on the [NHERI Graduate Student Council](#) webpage the following week. NGSC members will be able to find and read about who is running for each position. *Your bio should include your name, your university, degree, experience, the reason you are running, and plans you have for NGSC.

Finally, please share your availability for the January NGSC meeting here: <http://whenisgood.net/sxsyie3>.

I wish you a happy holiday season and a brilliant New Year!

NHERI GSC General Meeting Attendance
Friday, December 17, 2021, at 11:00 am Central Times

Adam Zsarnoczay
